### Welcome

on our wholesale site.

#### How does it work?

This online catalogue lists almost all our products. By placing products in the shopping cart you order the products. After completing the order you will receive a confirmation email within 5 working days showing the expected delivery dates. After checking and confirming the order, we will process the order.

#### Minimum order.

For new customers, the minimum initial order amount is € 300,-. For all next orders the minimum amount is € 150.

#### Delivery dates.

On this site is not visible whether products are in stock or not. On the order confirmation you receive an overview of planned delivery dates. The order confirmation may indicate whether there will be supplied in 2 parts and what the desired delivery date is.

#### Payment.

All payments must be paid in advance unless otherwise agreed. We only accept payments via bank transfer. If we still have not received payment 6 weeks after sending the proforma invoice, we will cancel the order. After receiving payment we will send the package directly.

#### Transport.

All our European products are sent via GLS unless otherwise agreed. Packages outside Europe are always for the recipient and are listed on the
